More than a schoolbag

it's my dream, my Herlitz!

herlitz schoolbags make children's dreams come true! Whether it is sparkling butterflies that change their colour due to flippable sequins, astronauts with shiny spacesuits who float through the universe, dangerous dinosaurs that show their teeth, colourful meadows with a beautiful selection of flowers, glitter unicorns that live in a fantasy world with rainbows and stars or fast race cars – fantasy and children's dreams know no limit at herlitz.

Quality

Product quality and safety have the highest priority at herlitz to ensure a long life of our products. All herlitz schoolbags meet the highest quality and manufacturing standards. Our models are subject to various stress tests and tested by strict criteria. Therefore, we offer a 2-year warranty on all herlitz schoolbags.

A water repellent impregnation of the outer fabric, as well as durable, reinforced bottom plates protect herlitz schoolbags reliably against moisture or dirt and ensure a long durability of the schoolbags.

- High-quality materials
- Quality tested
- Low dead weight
- Water repellent impregnation
- Reinforced bottom plate

Safety

High quality reflective material ensures a high level of visibility in the dark. Most locks are also provided with an extra reflector and some models offer reflective thread.

- Reflective material on front, sides and shoulder straps
- Additional reflector in the lock

Ergonomics

All herlitz back paddings are ergonomically shaped and breathable to ensure an excellent wearing comfort. Adjustable shoulder straps offer individually adjustment and height adjustable chest straps keep the shoulder straps in the right position. The weights of our models are as low as possible between 750 grams and just above 1 kg. Intelligent pocket segmentation and extra book compartments make it easy to keep the heavy weight close to the back and contribute to an optimal weight distribution.

- Ergonomically shaped back padding with breathable material
- Adjustable shoulder straps
- Chest strap for optimised weight distribution

Rain Cover

The water-repellent material keeps the schoolbag dry and protects it from rain or snow. But the Herlitz rain cover is not only useful on rainy days: the fluorescent material in a bright yellow offers a high level of visibility during the day and at twilight. Additional reflective material ensures good visibility even at night.

Due to the integrated pocket, the Herlitz rain cover can be packed small and is easy to carry around.

- Water-repellent material
- Fluorescent material in bright signal colour
- Reflective material
- Volume: approx. 32 litres
