

# Stay organised while working on your feet.

The new clipboards and clipboard folders from Herlitz.

- **Practical, versatile, handsome:** Clipboards and clipboard folders are practical writing surfaces for working on the road. Taking notes at meetings with clients, during school projects, on construction sites or at the gym is a breeze, even when you're on your feet.
- **A multi-tasker for the road:** Intelligent features and materials make it easy to work like a pro. Every article features a robust clip mechanism and stylish design. And our clipboards and clipboard folders made of cardboard boast a host of environmentally-friendly features.
- **For everyone:** Clipboards and clipboard folders are the perfect companion, whether you're at school, at university, in the office or enjoying a day off.

## Environmental awareness you can see.

- **For our forests:** All clipboards and clipboard folders made of cardboard are certified according to FSC™ standards. This means the paper and cardboard used come from responsibly managed forests, without clear cutting or the use of pesticides. Our suppliers are also committed to providing socially-responsible working conditions.
- **100% recycled:** All clipboards made of cardboard are Blue-Angel-certified. The environmental seal can be found on articles that are made of 100%-recycled paper and are very environmentally friendly.

The mark of  
responsible forestry
