

# Herlitz maX.file protect: now available in a new colour!

- Have you seen our new “maX.file of the Year” yet?
- A new colour every year brings the herlitz maX.file protect to life and always helps it to stand out.
- In 2017, a strong blackberry tone will bring a fresh vitality to your shelves.
- The colours may change – but the quality stays the same: all of these lever arch files are FSC™-certified and come with a ten-year warranty, naturally!
- The new maX.file protect lever arch files, now available in blackberry, also look great with the berry-coloured products in the easy orga to go range!
