

herlitz maX.file:

Lever arch files taken to the maX.

- Maximum features, maximum quality and maximum durability: herlitz maX.file lever arch files leave nothing to be desired.
- File organisation made easy: Our improved opening mechanism features an extremely high closing force and a rubber-tipped lever that is comfortable to open and close.
- Quality construction and design: With design details such as embossed spines and colourful compressor bars bearing the herlitz logo, the maX.file is a prized possession in every office.
- maX.file lever arch files are FSC™ certified. maX.file is a high-quality, durable product: That's why we offer a ten-year guarantee on all maX.file lever arch files.
