The wallet folder – get a firm grip on your loose documents.

- Your unsorted, loose documents have finally found a home! This wallet folder features three flexible side flaps, allowing up to 300 pages to be stored with ease.
- The colourful solution to all your organisational needs! The sturdy elastic cord closure ensures fast and easy access to your project documents, designs and notes.

Available in the following colours:

transparent

opaque

Ring binders – unbeatable storage for punched documents.

Available in the following colours:

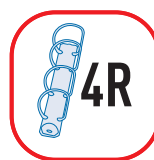

transparent

opaque

- These ring binders are a handy addition to our folder family, allowing you to effortlessly page through your documents when out of the office.
- Excellent organisation – guaranteed! Thanks to a high-quality D-ring mechanism (available with two or four rings) and a plastic compressor bar, you can always rely on these ring binders. A writable label on the spine ensures you never lose sight of a single file or document.

Page 4

The clipboard – perfect support for writing on your feet.

- Our new clipboard makes writing on your feet a breeze. The sturdy plastic (polystyrene) provides an ideal writing surface while the robust metal clip with plastic corner protection easily holds up to 80 pages.
- The ideal assistant when working on your feet. This clipboard can also be instantly transformed into a writing board thanks to the handy hanging device.

Available in the following colours:

transparent

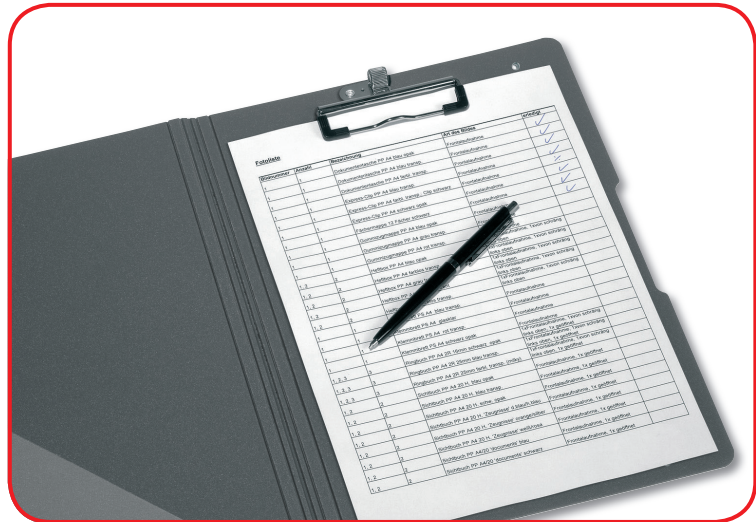

opaque

The clipboard folder – superb writing comfort out of the office.

- This practical clipboard folder made of 3-ply PP (polyfoam) keeps your work organised when you're on your feet.
- Finally a way to take your desk with you on the road! The folding front cover, the pen holder and the inner transparent triangle storage pocket all make your work easier out of the office – as well as keep your documents extremely well protected.
- The robust metal clip with plastic corner protection holds up to 80 pages firmly in place.
- With elastic closing band.

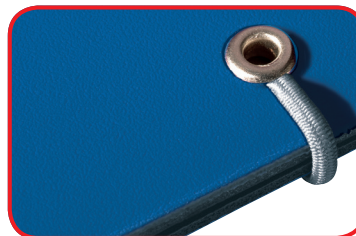

Available in the following colours:

With pen holder

With elastic closing band

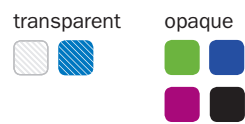

The document folder – storage at the push of a button.

- The document folder is the perfect solution for storing smaller collections of crucial documents. Sturdy but unmistakably professional, there's no better place to file receipts, hotel reservations and flight information.
- The ultimate in document access! Thanks to the convenient snap closure, there's no easier or faster way to store up to 200 pages.
- Featuring practical filing strips, our document case ensures that your paperwork stays organized. Available in the sizes A4 and A5.

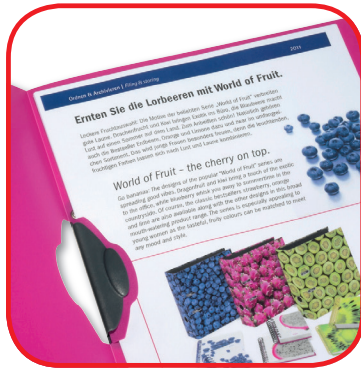

Available in the following colours:

Herlitz easy orga to go
Page 6

The express clip file – a professional look for your documents.

- Presenting just a few documents elegantly is a snap with the new express clip file. The high-quality swing mechanism can hold up to 30 sheets of paper and allows documents to be easily exchanged.
- The perfect solution when your documents need to make a serious impression! Our special express clip file with the labelling “Bewerbung“ in discreet silver lettering will let your resume, certificates and references shine.

Available in the following colours:

transparent

opaque

The expanding file – the tidy way to file by category.

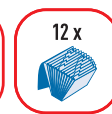

- The expanding file is your practical filing system for out of the office. Twelve flexible inner pockets, writable tabs and 24 label cards make filing loose documents by category a snap – no matter where or when!
- Maximum organisation to go! The adjustable top cover ensures the folder snugly holds up to 300 pages. The inside pocket, which features a label in business card format, displays additional identification information.

Available in the following colours:

transparent

opaque

The display book – for documents that are a must-see.

Available in the following colours:

transparent

opaque

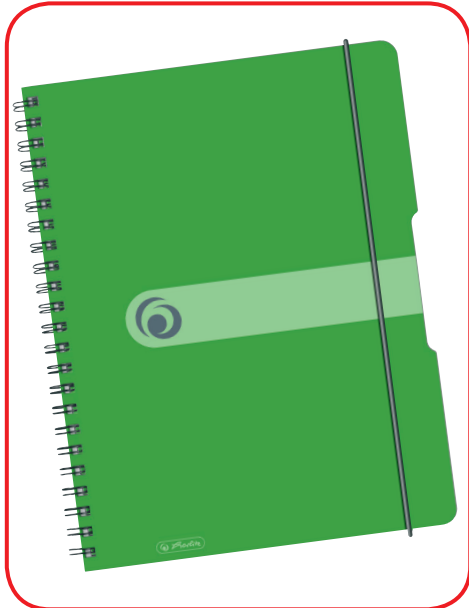

- The display book casts presentations, price lists or project plans in the perfect light. Document-protecting, crystalclear covers guarantee readability and superb protection while the convenient label on the spine ensures quick identification of contents.
- Some documents call for a special presentation. That's why two special versions of the display book are available with the labelling "Zeugnisse" and "documents", each with 20 crystal clear pockets.
