

THE PERFECT COMPANION: ELEGANT AND ENVIRONMENTALLY FRIENDLY

WWW.HERLITZ.EU

Would you like to work on the go with a clear conscience? Then you need the environmentally friendly products from herlitz easy orga to go green. Whether it's a document box, ring binder or wallet folder, the new PP stationery articles not only guarantee perfect document presentation, they also help to reduce environmental impact as they are made of at least 80% recycled materials.

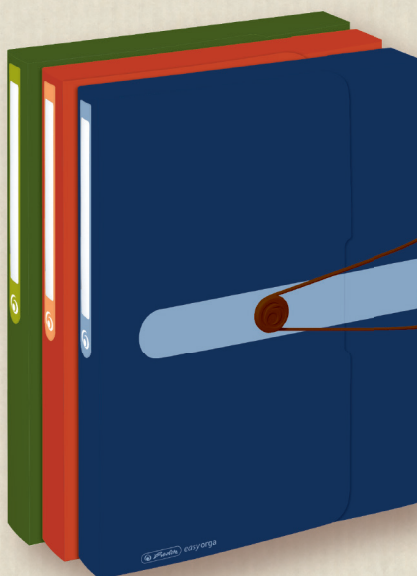

Available in the following colours:   

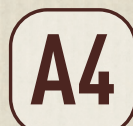

DOCUMENT BOXES

ALL YOUR DOCUMENTS, RIGHT WHERE YOU NEED THEM.

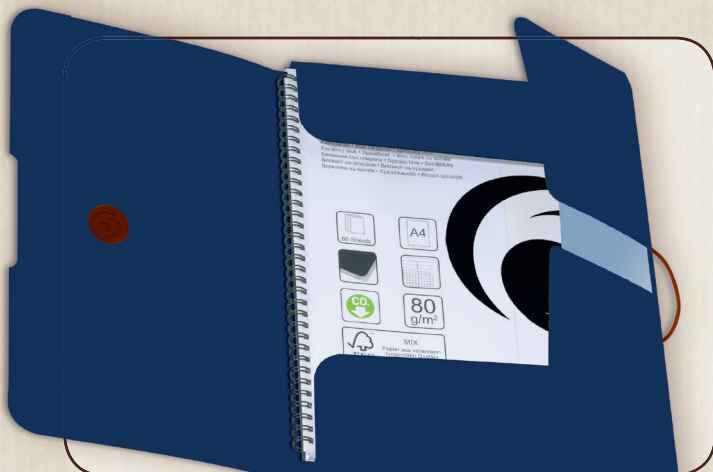

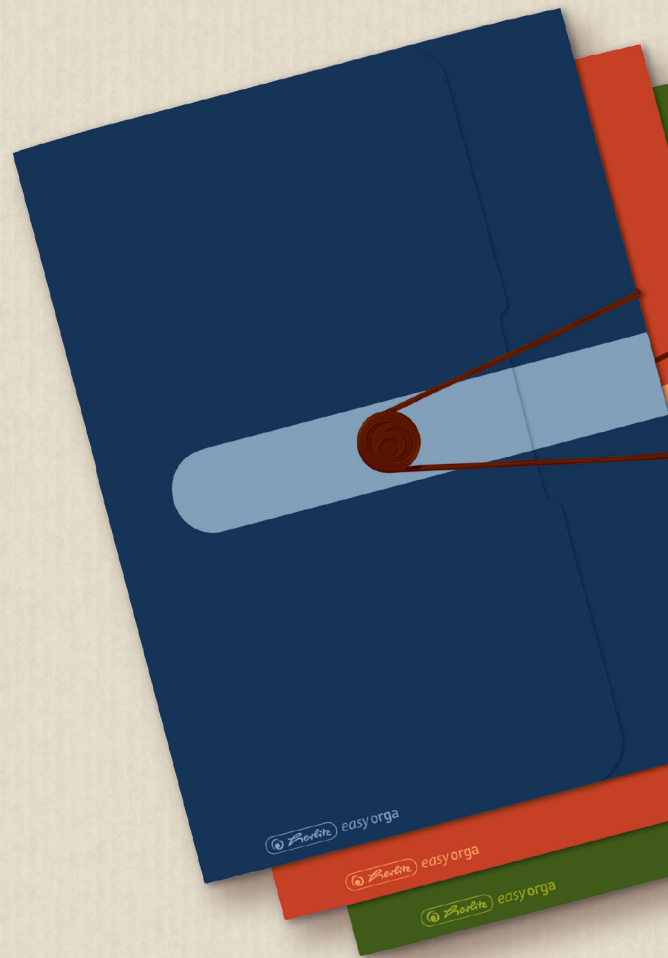

- Our document boxes make transporting catalogues, pricelists and magazines easier than ever. These sturdy folders hold up to 400 pages with room to spare. The elastic cord closure ensures easy handling and guarantees all your documents are always fully protected.
 - The outside of the box has a convenient label on the spine for fast identification.
-

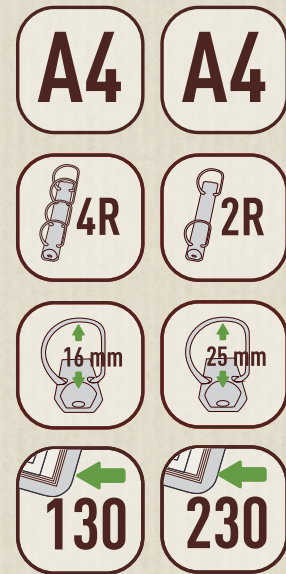

WALLET FOLDERS

GET A FIRM GRIP ON YOUR LOOSE DOCUMENTS.

- Your unsorted, loose documents have finally found a home! This wallet folder features three flexible side flaps, allowing up to 300 pages to be stored with ease.
- The colourful solution to all your organisational needs! The sturdy elastic cord closure ensures fast and easy access to your project documents, designs and notes.

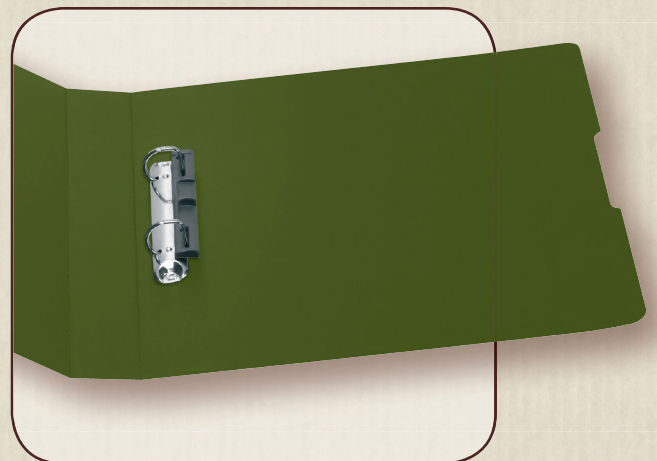

RING BINDERS

UNBEATABLE STORAGE FOR PUNCHED DOCUMENTS.

- These ring binders are a handy addition to our folder family, allowing you to effortlessly page through your documents when out of the office.
- Excellent organisation – guaranteed! Thanks to a high-quality D-ring mechanism (available with two or four rings) and a plastic compressor bar for all 2-ring-models, you can always rely on these ring binders. A writable label on the spine ensures you never lose sight of a single file or document.

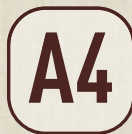

EXPANDING FILES

THE TIDY WAY TO FILE BY CATEGORY.

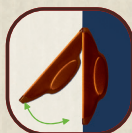

- The expanding file is your practical filing system for out of the office. Twelve flexible inner pockets, writable tabs and 24 label cards make filing loose documents by category a snap – no matter where or when!
- Maximum organisation to go! The adjustable top cover ensures the folder snugly holds up to 300 pages. The inside pocket, which features a label in business card format, displays additional identification information.

EXPRESS CLIP FILES

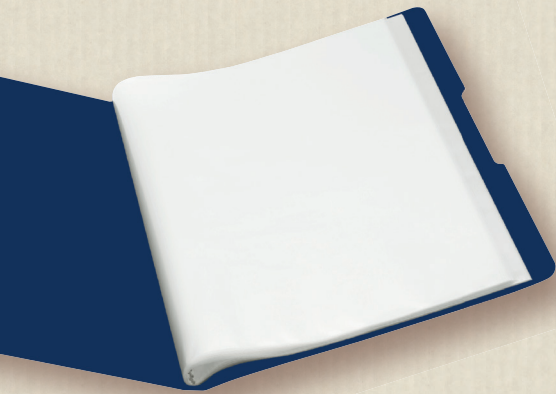

A PROFESSIONAL LOOK FOR YOUR DOCUMENTS.

- Presenting just a few documents elegantly is a snap with the new express clip file. The high-quality swing mechanism can hold up to 30 sheets of paper and allows documents to be easily exchanged.

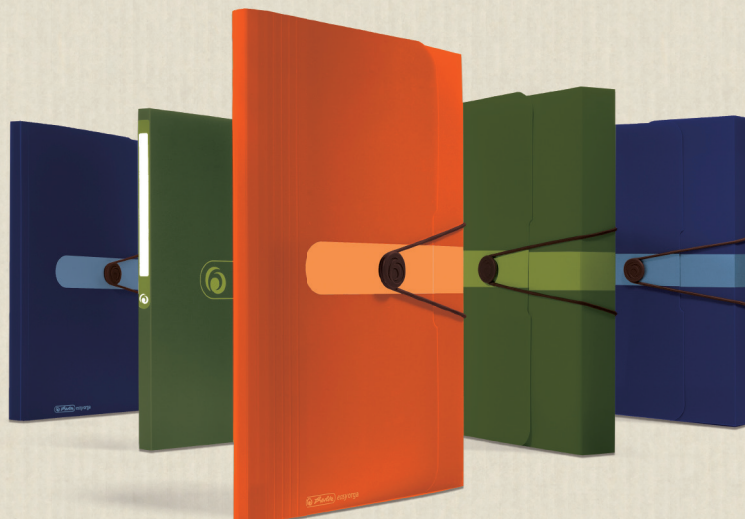

DISPLAY BOOKS

FOR DOCUMENTS THAT ARE A MUST-SEE.

The display book casts presentations, price lists or project plans in the perfect light. Document-protecting, crystalclear covers guarantee readability and superb protection while the convenient label on the spine ensures quick identification of contents.

TODAY A BOTTLE, TOMORROW A HERLITZ PRODUCT.

- Thanks to the recycling of used materials (post-consumer waste), at least 80% of each herlitz easy orga to go green product is made of recycled materials* and the whole product can itself be recycled after use.
- The manufacturing process saves finite resources such as petroleum.
- Even though PP products are made of recycled materials, they lose none of their unique qualities. They remain light, flexible, washable, lightfast and colourfast and are therefore not only a perfect companion at work, but also an environmentally friendly one too.
