herlitz Benefits

QUALITY

All herlitz schoolbags are subject to the **highest quality standards** concerning the utilised materials and the manufacture process. Each model is tested in accordance with the German DIN 58124 schoolbag standard. The water repellent impregnation, as well as the durable, reinforced bottom plate protect the herlitz schoolbags reliably against moisture or dirt and ensure a long durability of the schoolbag.

- High-quality materials
- Tested in accordance with DIN 58124 (German standard)
- Low dead weight
- Water repellent impregnation
- Reinforced bottom plate

SAFETY

Premium-quality **3M™ Scotchlite™ reflective material*** on front, sides and shoulder straps ensures best visibility and safety in the dark. Most locks are also provided with an extra reflector and some models offer webbing with reflective thread. In addition, the models herlitz Motion and herlitz Midi are further equipped with fluorescent material in bright signal colors for optimal visibility at twilight.

- **3M Scotchlite™** reflective material on front, sides and shoulder straps
 - Fluorescent material in bright signal colors
- 
- Additional reflector in the lock
 - Webbing with reflective thread

ERGONOMICS

The herlitz back paddings are ergonomically shaped, breathable and thus ensure an excellent wearing comfort. Due to the adjustable shoulder straps the schoolbags are individually adaptable for each child. In addition, innovative back systems like **ergoActive®** with infinitely variable adjustment (herlitz Motion) or **Ergo ES²®** with a three stage vertical adjustment (herlitz Flexi and herlitz Bliss) offer the adjustment of the schoolbag to the changing body height of the child. Some models also provide an adjustable chest strap or a removable hip strap which contributes to an optimal weight distribution.

- Ergonomically shaped back padding with breathable material
- Adjustable shoulder straps
- Innovative, ergonomic back systems (ergoActive®, Ergo ES²®)
- Chest strap and hip strap for optimised weight distribution

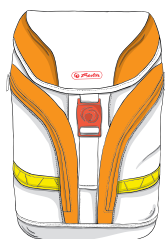

VARIETY OF DESIGNS

Whether it is magical unicorns, big monster trucks, dangerous dinos, cool spaceshuttles or cute horses – fantasy knows no limits at herlitz.

herlitz Motion Plus

the school backpack with the innovative ergonomic system ergoActive®

ergoActive®

herlitz Motion Plus:

all designs include a Motion pencil box with a removable inner part filled with 17 pcs., a sports bag, a pink file box for girls or a blue file box for boys

The herlitz Motion impresses with the infinitely variable height-adjustable ergonomic system ergoActive® which was developed with experts and tested with school children. Due to the individually adjustable back system and the ergonomically shaped back padding, the herlitz Motion does not only fit to the child's back perfectly, it is also adjustable to the body height which changes quickly at this age. A removable hip strap shifts the weight to the hips and relieves the shoulders. In addition, the adjustable chest strap provides a comfortable and pleasant fit. In terms of safety, the herlitz Motion has two advantages. Firstly, fluorescent material in bright signal colors provides a high level of visibility during the day and at twilight and secondly the 3M™ Scotchlite™ reflective material ensures a high level of visibility and safety in the dark.

herlitz Flexi Plus

the ergonomic schoolbag
with Ergo ES²-system

herlitz Flexi Plus:

all designs include a filled pencil case filled with 17 pcs., a pencil pouch triangular, a sports bag and a pink lunch box for girls or a blue lunch box for boys

Thanks to its well-thought-out ergonomic system Ergo ES²® the herlitz Flexi can be adjusted individually to the schoolchild's body and offers highest wearing comfort. This is realised through the three-stage vertical height-adjustment and also through the ergonomically shaped and breathable back padding. In addition, the herlitz Flexi is equipped with an integrated, adjustable chest strap which provides additional support and an optimised weight distribution. For a high visibility in the dark, the herlitz Flexi offers big reflectors of 3M™ Scotchlite™ reflective material on the front, the sides and also on the shoulder straps.

herlitz Airgo

the school backpack with the ergonomic Ergo ES²-system

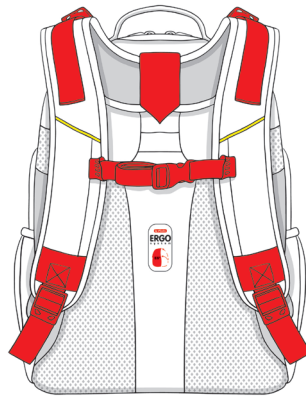

herlitz Airgo:
Empty version

The herlitz Airgo is a practical, modern school backpack with a form-stable corpus. Thanks to its well thought-out ergonomic system ERGO ES²®, the herlitz Airgo can be individually adapted to the body size and offers a high wearing comfort. This is achieved by the 3-stage height-adjustment and by the supporting function of the breathable and ergonomically shaped back padding. In addition, the herlitz Airgo offers a height-adjustable chest strap and dual adjustable shoulder straps. Also the light empty weight of less than 1 kg contributes to the wearing comfort.

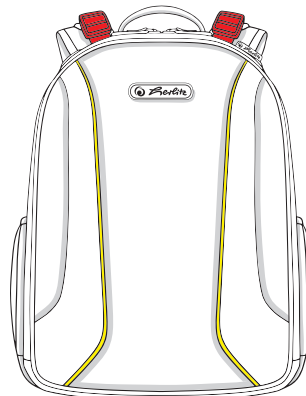

ERGONOMICS

- **ERGO ES²® System:** ergonomic back system with three-stage vertical height-adjustment
- Breathable, ergonomically shaped back padding
- Dual adjustable shoulder straps
- Adjustable chest strap

SAFETY

- Reflective material on the front, sides and shoulder straps for optimal safety in the dark

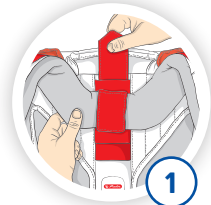

FEATURES

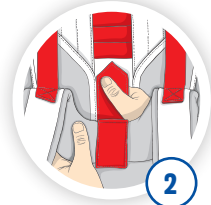

- Light weight below 1 kg
- Volume approx. 18 l
- Stable corpus
- Plastic feet on the bottom
- Spacious main compartment with book compartment including Velcro fastener
- Spacious front pocket with organizer compartment for mobile phone, purse, keys, etc.
- Zipper closures
- Two open, easy accessible side pockets

IT'S THAT EASY!

Open the velcro fastener and pull out the loop!

Choose the level that suits your child!

Pull the loop through 3 tabs and close the velcro fastener!
