easy.cover TO THE PERFECT BOOK COVER IN 4 STEPS

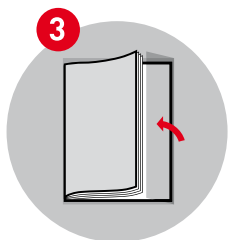

NEW

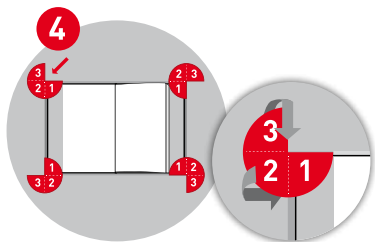

Place book into the premade loop.

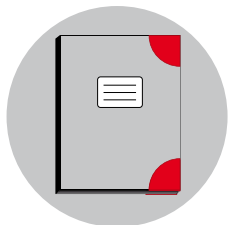

Mark the book's height with a pencil along the upper edge. Then cut it. Tip: take the book out of the cover while cutting.

Place open end of the cover around the back cover, fold the resulting loop smoothly, while book is shut.

Place the corner guards on all four corners. Tip: take the book out of the cover first. Place name label wherever you wish.

DONE!
