INK OF THE YEAR 2023  
ROSE QUARTZ

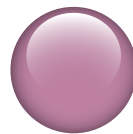

## Edelstein® Ink Collection Ink of the Year 2023 – Rose Quartz

Softer than the color red, this shade in rosé creates a smooth, heart-warming impression. Every handwriting style turns into a romantic message.

The gem stone Rose Quartz shows a fascinating range of color shades from soft-pink to intense-rosé in its natural appearance. To honor this gem stone Rose Quartz a lovely ink color has been created, that matches with its shade intense-rosé the core of the natural range of color.

Light as a feather and remarkable soft the written words are expressed on paper. Enchant your customers with this new Edelstein Ink of the year 2023!

The Edelstein Ink of the year 2023 Rose Quartz will be available from March 2023.
