Made

in Germany

Pelikan K12[®] *eco* Opaque paint box

The eco friendly number 1 for school

The K12[®] is the number one choice when it comes to artclasses and is **recommended by teachers**

For the K12[®] *eco*, all plastic parts are made almost entirely **from recycled material**. The post consumer recycled material used is the most sustainable material imaginable.

Filled with highly opaque **quality paints from Pelikan**. The **ideal paint box for environmentally conscious families** who value high quality, radiant colours.

The mark of responsible forestry
