SPECIAL EDITION
Classic 200 Pastel-Blue

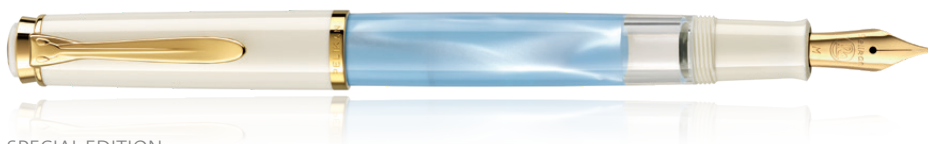

The Classic Series 200 fascinates by its soft pastel-blue appearance, reminding of the open blue sky. The delicate, light blue hue alternates through the pearl effect in the material, resulting in ever new color impressions. The Pelikan-characteristic material is slightly transparent, allowing a view on the inside of the fountain pen. In combination with the white precious resin and the gold-plated decorative elements, a balance between classic design it carries away your imagination.

The series is available as a piston fountain pen and retractable ballpoint pen with gold-plated decorative elements such as clip and rings. The fountain pen with its stainless steel nib, which is also gold-plated, offers a soft writing feeling depending on the desired nib width EF, F, M, B.

This series is a new collector's item in a bright color world of the Classic series and it is a treasure for every fountain pen lover. Whether as a gift for yourself or a loved one, this series awakens the feeling of „must-have“!
