

JUST BLACK

A stylish play of colour!

Black and white: two iconic colours that could not be more contrary, but still create a wonderful harmony, which is what the new design series from Herlitz proves once again.

JUST BLACK

It's no surprise that "Black & White" is so popular: there is no limit to the ways in which these fashionable colours can be combined.

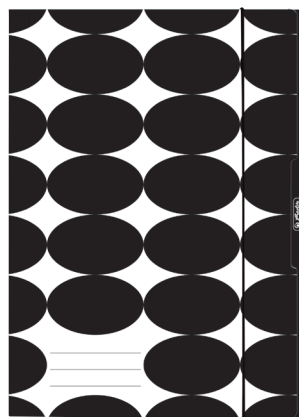

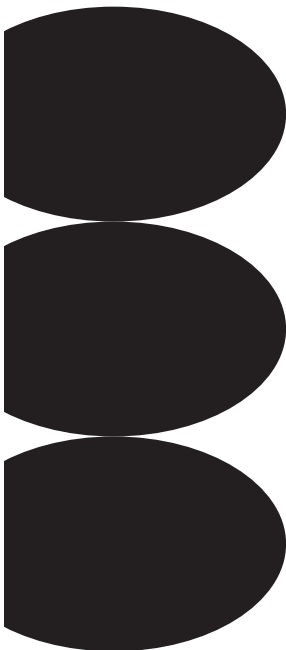

- The look of black elliptical dots on bright white stands out and makes even basic products pop.
- All just a question of how you combine them!
