**Classic M 200 Copper Rose Gold**

The Special Edition Copper Rose Gold creates a perfect balance between timeless aesthetics and subtle sophistication. The M200 Classic Copper Rose Gold fountain pen combines a distinctive color tone with stylish elegance.

Precious resin and a special color granulate with copper-colored particles create an enchanting shimmering effect. The world of Classic writing instruments experiences a premiere through the use of rose gold plated decorative elements. The warm copper tones of the barrel and the elegant decorative elements in rose gold give the fountain pen an exclusive touch.

The high-quality stainless steel nib, also finished in rose gold, offers a smooth and precise writing experience. It is available in nib sizes EF, F, M, and B to cater to the individual preferences of every writer. In addition, the color-coordinated ink window provides a view of the ink filling level, allowing you to keep an eye on the ink supply at all times.

The Special Edition Copper Rose Gold is exclusively available as a piston fountain pen and promises the highest quality and a special writing experience.
