SPECIAL EDITION

Souverän® 1000 Renaissance Brown

It's back – in a new greatness!

We proudly present the classic beauty of brown-shaded marbled impression: Series M1000 Renaissance Brown! The acrylic material is loved for its stunning pearly effects, combined with brown and crème-colored shades. It creates a unique impression for every pen.

According to a great era of renaissance paintings, this pen is an homage to the fascinating art works of masters during this time.

The M1000 is the largest fountain pen of the Pelikan Fine Writing collection. The writing experience is extraordinary due to the large dimension of the smooth swinging 18kt gold nib in various nib sizes: EF, F, M and B.

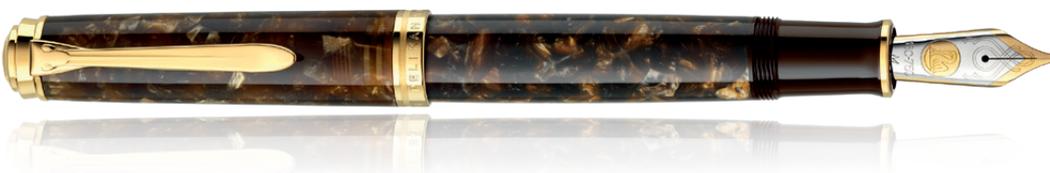

To enhance the gifting experience, the Souverän® 1000 Renaissance Brown comes beautifully encased in a champagne colored gift box, reflecting the elegance and sophistication of this exceptional series.

The Souverän® 1000 Renaissance-Brown will be available in limited stocks starting from May 2024.
