Souverän® 800 Cream Blue

Classic, yet modern! The color combination of a midnight blue barrel in combination with a fine cream tone transforms the Souverän 800 piston fountain pen into an elegant eye-catcher.

The shiny polished gold elements such as the rings and clip form an elegant frame for this harmonious color combination. The 18ct bi-color nib shines as the centerpiece and offers a smooth writing experience for various handwriting styles in EF, F, M and B nib widths.

For all those who feel comfortable with a larger fountain pen size and have been longing for a stylish color statement. An ideal gift for loved ones or a wish-fulfiller for yourself.

The 800 Cream Blue series is available for a limited time from October 2024.
